Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing 16 references to be considered by the Examiner. Also enclosed are 3 non-patent literature documents as listed on the Information Disclosure Statement.

Applicants also note that reference number 14 is a document from litigation(s) involving Applicants. Applicants are unsure whether this document is material to this application. Nevertheless, pursuant to MPEP 2001.06(c), and in an abundance of caution, Applicants bring this document to the attention of the U.S. Patent and Trademark Office and respectfully request that the Examiner consider this documents. Further, U.S. Patent Documents 2-13 are Applicant's own patents and patent applications, some of which have already been brought to the Examiner's attention in a response dated April 4, 2008.

This Information Disclosure Statement is being filed before the mailing date of a final action and before the mailing of a Notice of Allowance. This Statement is accompanied by the fees set forth in 37 C.F.R. § 1.17(p). The Commissioner is hereby authorized to charge any additional fees which may be required or to credit any overpayment to Account No. 11-1410.
